

Dear AmeriStamp,

Thank you for producing such a fantastic wrap for our Run of Luck Seamus Shoe Collecting Van! The quality of the auto wrap is top of the line and the colors are brilliant. I am very pleased with the outcome of your product. Our experience on the road with the new Seamus wrapped Van has definitely brought more attention to our cause and many have commented on the uniqueness of our van! A wrapped vehicle has shown to be a worthwhile marketing tool in the promotion of our event. I will be sure to recommend your work to others.

Thank you!  
Jim Bush, Race Director
